

HOUSE RESOLUTION 225

By Maggart

A RESOLUTION to extend the reporting deadline for the special committee created by House Resolution 82 of the One Hundred Sixth General Assembly to study and identify methods and practices for reducing infant mortality.

WHEREAS, in furtherance of the worthy goal of reducing infant mortality and teen birth rates in the state of Tennessee, House Resolution 82 of the One Hundred Sixth General Assembly created a special committee to study these important public health issues; and

WHEREAS, the reporting requirements for the special committee included a deadline of February 1, 2010, which should now be extended to allow the special committee ample time to complete its study and compile its findings and recommendations; now, therefore,

BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDRED SIXTH GENERAL ASSEMBLY OF THE STATE OF TENNESSEE, that the reporting deadline for the special committee created by House Resolution 82 of the One Hundred Sixth General Assembly to study and identify methods and practices for reducing infant mortality is hereby extended to April 1, 2010, and the special committee shall report its findings and recommendations, including any proposed legislation, to the One Hundred Sixth General Assembly no later than such date.
